HIBERNIANS.

At the semi-annual meeting of Division No. 1, held Sunday afternoon in A. O. H. hall, five applications were A. O. H. hall, live applications were received and one new member was initiated. The invitation of the Second division to attend a lecture to be given by Rev. F. J. FitzPatrick of St. Patrick's parish was accepted and the First division members will attend in a body on February 23. A challenge from the Second division was also accepted for a tournament at the game of 45, and President Michael J. Dwyer was appointed a committee of one to confer with Fresident F. J. Murtha of the Second division about the arrangements for games.

ollowing were appointed a commit Bridgeport, lock.

Design: P. Moulton, assignor to be: D. J. O'Neill, M. H. O'Neill, and J. P. Murphy. A lively contest is expected and the members are getting right at work already after applicants.

REBEKAHS. The regular meeting of Hope lodge, No. 71, at which N. G. Grace Willey presided, was called to order Wednesday evening in Odd Fellows' hall. The attendance was large, and included four of the past noble grands from New London, who had been attending the meeting of the past noble grands association in the afternoon. One new Out of this number Connecticut secured 785 patents during the year, or one to every 1.517 inhabitants of the state. The District of Columbia secured more patents in proportion to its population than any state or terrifory —250, or one to every 1.115.

association in the afternoon. One new name was voted in, and the lodge will have work in the initiatory on the first meeting in March. The next whist evening for the lodge happening to fall on Ash Wednesday, it has been decided to hold no whist on that night, but the series will probably be continued later.

nformal evening of whist. MODERN WOODMEN.

Jonic camp. No. 7694, held its regular meeting Monday evening in Foresters' hall, having a good attendance out not much outside of routine business to occupy its attention. The next considerable event of importance is to one of its most interesting meetings on the first meeting night in March.

The camp met with one loss this week in the death of Thomas E. Hogan on Thursday, a member of lonic for about eight years. His death followed an illness of about a year and the committees for the term were the first meeting of brass and attractively combines the names of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the name of the national and state organizations, together with the names of the national and state organizations, together with the names of the national and state organizations, together with the names of the national and state organizations, together with the names of the national and state organizations, together with the names of the national and state organizations, together with the names of the national and state organizations, together with the city in which the user's chub is located. The emblem can be plainly the city in which the city in which the city in which the city in which the cated the cated the cated the cated the names of the national and state organizations, together with the names of the national and state organizations.

There was a meeting of the officer Sedgwick corps, No. 16, Friday aft oon, at the Buckingham Memoria

idates to initiate, and this work will e done by a degree team from Worreater, which will number about twenby and all equipped with full regalia.
Visitors from Springfield, Providence,
Hartford, New Haven and Bridgeport
are also expected to be present, and

POLICE BAR DE ROUEN. Chicago Force Puts the Ban on French

Wrestler for Rough Tactics.
Raoul de Rouen, the French glant,
who has been a great drawing card at
wrestling shows in Chicago for the wrestling shows in Chicago for the last month or two, has been barred by the police from participating in any matches in Chicago hereafter.

Assistant Chief of Police Schuettler issued an order this week that no athletic club is to receive a permit for a wrestling show where De Rouen was billed as one of the participants.

"We will not tolerate such prizefight tactics as De Rouen has introduced." said Assistant Chief Schuettler. "I was present at the Seventh Regiment armery last night when De Rouen met Yussiff Mahmout, the Turk, and I was also present at the C. A. A. on Saturday night when the Frenchman tried to throw Demetral. In both of these matches I was disgusted with the giant's style. He is not scientific, but merely a big bull who seems to thruk the idea of wrestling is to throw his opponent out of the ring in order to win."

Manager Kennedy, who has tried to keep the Frenchman from using such unfair means in his matches, has asked for an audience with the chief and as-sistant chief of police, promising an affidavit to the effect that De Rouen will wrestle fair hereafter, but it is believed the police will not capitulate.

A WOMAN TO BE PRETTY
